Fade In Access

Installing Fade In Access on a mobile device

You can install Fade In Access on either an Android or iOS mobile device.

Android

1. Visit www.fadeinpro.com/access using Chrome Mobile.

2. To the right of the address bar, tap the three dots for the menu, then select **Install and create shortcut**. (You may have to scroll down to see this menu option.)

iOS

1. Visit www.fadeinpro.com/access using Safari Mobile.

2. To the right of the address bar, tap the three dots for the menu, then select **Share**.

3. On the Share menu that pops up, again tap the three dots for **More**.

4. Select **Add to Home Screen**.
