General

Installing additional templates

Additional templates for screenplay, stage plays, and other documents can be download from the **Download** page at http://www.fadeinpro.com. Click on **Extras**.

To install additional templates, extract/unzip the **.fadein.template** files in the package to your computer.

Start the application, and select **File > Templates > Manage Templates**.

Click the **Install** button, and select the template that you want to install. (Repeat for multiple templates, if desired.)
